*When we feel Love for God and from God, He helps us know how to extend that Love to His children, our friends and neighbors across the globe. Despite our deepest differences, we all share the same basic needs: not only the need for safety, shelter and sustenance, but also the need for belonging, purpose and Love.*

*Where is Love? It is found whenever we open our heart to someone else, whenever we put the needs of others before our own, whenever we set aside prejudice and listen.*

*Where is Love? It's in each of us as we Love God and Love each other.*

#### **A. Global Currency Reset:**

**There were geopolitical forces that have caused another delay in completing the Global Currency Reset**, plus Mass Arrests were taking longer than anticipated. The delay was coupled with apologies, the leadership just needed more time.

**However according to Fleming, the Iraqi Dinar has been given the go ahead to revalue and be placed on the Forex to be traded up in value.**

- **Today Sat. 25 June** a Bond Holder who has direct connection to the Chinese Elders and to Dubai 1 and Dubai2 Trusts, said his bonds probably won't be paid until **early August**.

- **It was unknown when the Iraqi Dinar** would appear on the Forex at the Dinar's present value of one Dinar being worth \$3.22 to one US Dollar.
- **While trading on the Forex**, the Iraqi Dinar had the possibility of going up to \$17 per Dinar.
- **You could exchange your Dinar at a regular bank teller's window** and be given the value the Dinar was on the Forex at the time of your redemption.
- There were a number of websites to track the value of the Dinar on the Forex, including:

#### **F. Arizona: The Maricopa County Republican Committee introduced a resolution to formally reject certification of the 2020 Presidential Election.**

- The Gateway Pundit recently reported that the same was done in Texas, where the Texas GOP declared the Joe Biden Regime illegitimate.
- "The 2000 Mules Documentary irrefutably proves election fraud occurred in Maricopa County during the 2020 Election in the form of ballot trafficking through drop boxes," states the resolution in Maricopa County.

- On Tuesday, June 21, 2022 I introduced a resolution Rejecting the certification of the 2020 Presidential Election, similar to that [passed by the Texas GOP](#), which the Maricopa County Republican Committee Executive Board approved UNANIMOUSLY. See the full Resolution below:
- **MCRC Executive Board Dated: June 21<sup>st</sup>, 2022 Be it resolved by the Executive Board of the Maricopa County Republican Committee:**
- **WHEREAS** In solidarity with the Republican Party of Texas and their recent Resolution on the 2020 Election;

- **WHEREAS** We believe the 2020 Election violated Article 1 and 2 of the US Constitution, that various secretaries of state illegally circumvented their state legislatures in conducting their elections in multiple incorrect ways, including allowing ballots to be received after November 3, 2020;
- **WHEREAS** The 2000 Mules Documentary irrefutably proves election fraud occurred in Maricopa County during the 2020 Election in the form of ballot trafficking through drop boxes;
- **WHEREAS** We believe that substantial election fraud in key metropolitan areas significantly affected the results in five key states in favor of Joseph Robinette Biden Jr.;
- **WHEREAS** The Arizona Senate audit of the 2020 Election found significant inconsistencies and discrepancies;
- **NOW, THEREFORE**, We reject the certified results of the 2020 Presidential election, and we hold that acting President Joseph Robinette Biden Jr. was not legitimately elected by the people of the United States. We strongly urge all Republicans to work to ensure election integrity and correct all fraud and weaknesses identified in the 2020 Election.

- **URGENT: Scheme By Pfizer And Moderna Aims To Skip Clinical Trials for Future COVID Vaccines.** Pfizer and Moderna, as enabled by the FDA, have come up with a scheme called "The Future Framework," and the idea is to skip clinical trials in perpetuity. In five days, on Tuesday, June 28, the FDA will vote on a proposal, and the proposal says that reformulated COVID-19 shots are "biologically similar" to existing COVID-19 shots, and so, therefore, they can skip clinical trials altogether. Dr. Toby Rogers: "Going forward, as of June 29, if this goes through, we will have no data at all. We will have a little bit of information from test-tube studies, a little bit of information from mice studies, but we will have no human data whatsoever. This is a nightmare! The Future Framework is an existential threat to the future of the United States, and the FDA has lost its mind and must be stopped."

## **J. How do Satanists relate to Abortion:**

- **In accordance with the Law on the Restoration of Religious Freedom (RFRA), abortions in the first trimester are exempt from unnecessary rules for all persons practicing the Religious Ritual of abortion in the Satanic Temple.** The Satanic ritual of abortion provides spiritual comfort and asserts bodily autonomy, self-respect and freedom from coercive forces.

#### **K. Documentary "Silent Scream", 1984.**

- **Dr. Bernard Nathanson explains the abortion procedure** through suction, and then shows a real abortion in the first trimester of pregnancy using ultrasound. The viewer can see the child's pathetic attempts to escape from the sucking curette, his heartbeat doubles, and the fetus opens its mouth in what Nathanson calls a "silent scream" as her body is torn apart.
- **The clip begins with an ultrasound of the fetus (a girl)** who is about to be aborted. She is moving in her mother's womb, her heartbeat is 140 beats per minute. When the tip of the device begins to penetrate the uterus, the baby rises and moves violently, trying to avoid the instrument. The fetal heartbeat sharply increases to 200 beats per minute. The gynecologist begins to tear the limbs of the child from his body, as a result, only the head remains in the uterus (too large to be pulled out entirely), so you have to crush the head with forceps.

#### O. The Ongoing Need for Revolutionary Free Energy Tech: <https://gvinstitute.org/the-suppressed-revolutionary-free-energy-tech/>

- **Foster Gamble of Thrive project fame will have a conversation with George Wentz, about the latter's renewable energy incubator.** On the website for that project, there's emphasis on all the alt energy usals - solar, wind, geo-thermal - along with a dash of swash-buckling fossil fuels exploration. Yawn.
- **However, there's also mention of plans to develop Nikola Tesla's wireless electrical transmission tech,** which Tesla used in the 1930s to power an automobile - one retrofit with an electric motor - by sending the power wirelessly from his Wardenclyffe ZPE (Zero Point Energy) generator.
- **While getting that technology out** will definitely be a step in the right direction, what's really needed is:
- **a) Getting out the suppressed ZPE tech, operational within the SSP and M-I black budget sector for nearly 50 years, to convert the global transportation fleet to**

**electric motor powered free energy tech.** Unlike today's Tesla vehicles, such will never need to be plugged in to the planned 5G IoT carbon tax peasant control "Smart Grid" - not need expensive and problematic battery tech - and can deliver shared abundance and environmental health in ways neither the Tesla Motors nor FECV tech ever can or will.

- **b) The greatest source of ocean pollution involves container ships** burning fuel oil, a huge but little known source of global pollution. Most of those diesels can be converted to advanced electrolysis (water as fuel) technology of the Stan Meyer genre.
- **c) Cold Fusion has been operational in the black budget M-I sector for decades, developed by the likes of Lockheed.** Eugene Mallove was killed two decades ago to prevent such disclosures. Cold Fusion should be fast-tracked across the global grid electricity landscape to swap out its fossil fuels dependence - grid electricity is produced by burning natural gas and coal to fire steam turbines - enroute to more decentralized electricity distribution via more effective off-grid power plants and new distributed power networks.
- **While meaningful progress on the suppressed E&T (Energy, Transportation) tech landscape** has gone nowhere past twenty years, victory will nonetheless soon be ours. The Cabal powers that were - long holding the lid on major progress - have recently been decimated to the point that they're incapable of stopping breakthrough energy progress which, happily, will also mean game over for the ridiculous Big Al Little Greta climate change road show.

**P. "Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities,"** by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

**Jenny Hill's witness to a Satanic Child Sacrifice Rite:** [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

**U. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

**Since 1990** I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture

and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

**V. The following have been set up to report Crimes Against Children and incidents of human trafficking**, although I cannot verify as to the influence of Satanists within these organizations:

## **W. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**X. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.*

*After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.*

*This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
